

ARUK CROSS BORDER POST - SAMBAS

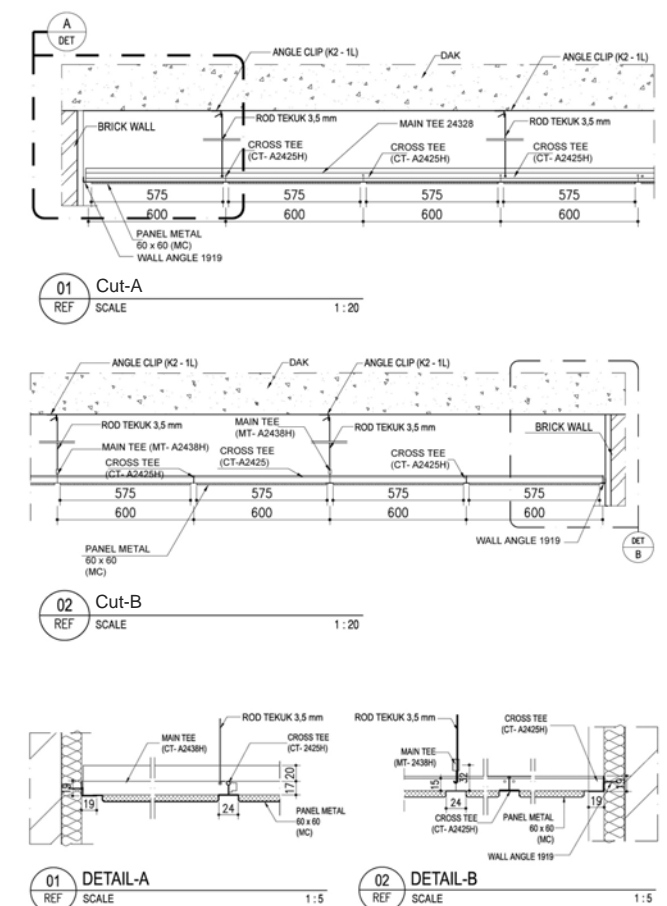

PANELLUX® METAL CEILING LAY IN

PANELLUX® Metal Ceiling Snap In is easy to install and provides a functional look towards your ceiling profile. With profile width of either 60x60cm and 60x120cm, it will give an elegant minimalistic look. It is ideally applied in both interior and exterior ceiling projects, including terraces, corridors, canopies and lobbies in airport terminals, shopping malls, showrooms, apartments, offices, factories and other types of projects.

PANELLUX® Metal Ceiling Snap In is made of Pre-painted Aluminium Alloy 100. Installation is easy with stringer suspension with Clip-Lock system without the need of bolts nor fasteners.
