

## PANELLUX® MINIMALIST SCREEN

PANELLUX® Minimalist Screen filters the sunlight creating a different ambience to your building along with easy installation features. With width dimension of 30x20mm and 40x30mm, it will give a minimalistic feel to your building louvers. It is suitable for exterior applications such as in residential complexes, shophouses, offices, hospitals, and others.

**PANELLUX®** Minimalist Screen is made from Bluescope Steel Indonesia Pre-painted KIRANA™ Steel. Installation is easy with stringer frames with Clip-Lock system without the need of any fasteners.
